

Enhancing Customer Experience & Revenue

Peakwork Partner Connect, 2025

Revolutionizing embedded insurance

Embedded insurance is the seamless integration of insurance into the purchase journey of other products or services.

Seamless Integration

Providing protection exactly when and where it's needed, with minimal effort.

It improves the user experience, builds trust, and drives revenue by making insurance simple, relevant, and accessible.

Customer Driven

The embedded insurance market is expected to grow 4-6x in less than 5 years

Total Worldwide Market Size Projection1, \$Bn

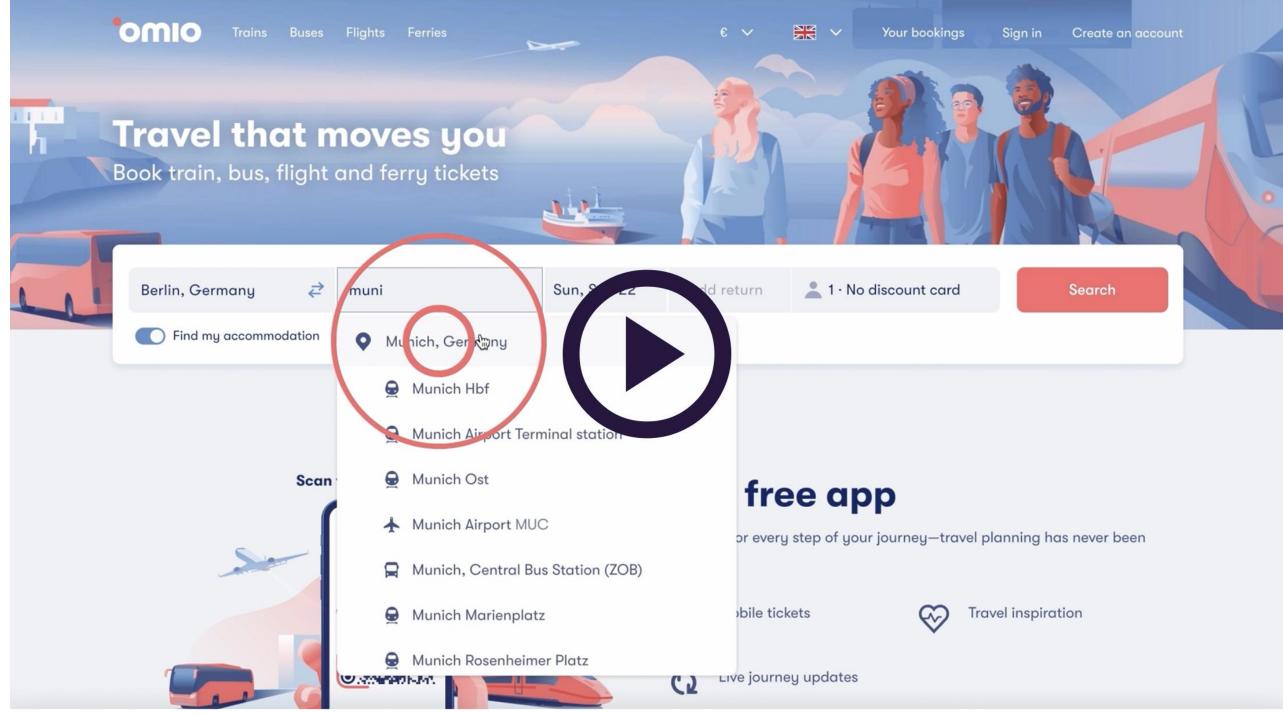

2030 \$500-722Bn

25-35% CAGR

> 2024 \$120-131Bn
