

# A 15-Year of Innovation, Resilience & Vision

From Zurich and EDF to  
Blockchain, and Beyond

PARTNER CONNECT

What is EDF?  
Who is Peakwork?  
How did we get ourselves  
into this?

Will these madmen  
manage to get us out of  
this adventure safely?

Why do they want to  
surpass Search and Book?  
How much faster is EDF?  
How long will it take us?
